Thanks Sarah: I inserted tomorrow's date below the title and a reference to Figure 1 in the subheading for the AE section.

I think it is ready to send to OGWDW!

This looks good – my only comment is that we attach a site map figure. I think the one from last week's briefing gives a good overview – I included that here. If you have one in mind that is better, let me know. I can attach this to the calendar invite and send it out once you're ok with the figure.

FYI – Holly also invited Joe Tiago to the briefing.
